

Leaman Container, Inc.
Position Opening
Corrugated Structural Designer

Leaman Container, Inc., headquartered in Fort Worth is currently hiring for a Corrugated Structural Designer to fit in with an established, tenured, successful Fort Worth team. We specialize in corrugated boxes, packaging and shipping products. You will be responsible for formulating and developing ideas for new accounts or products and making recommendations for updating existing products. You will work closely with sales, customer service, production, and occasionally present new designs or products to customers.

Basic Requirements

The ideal candidate will have experience in Artios CAD, Adobe Illustrator, Kongsberg Cutting table operation, and corrugated manufacturing. Being detail orientated and capable of managing multiple projects is also critical to the candidate's success. A customer service attitude and ability to work with internal and external customers is a must.

Additional Requirements:

- Bachelor's Degree or at least 2 years of Artios CAD design (2D and 3D rendering).
- Basic knowledge of Adobe Illustrator for print card and minor art cleanup.
- Experience in CAPE Pack or similar software.
- Strong knowledge of best practices for corrugated testing.
- Must have a steady work history.
- Must be proficient in Microsoft Office.
- Job will require some travel in the DFW area which will require a valid driver's license, proof of personal auto liability and reliable transportation.
- Must be knowledgeable and able to use a cell phone efficiently for business (calendar, emails, etc.).
- Must be able to lift 25 pounds regularly, 50 or more pounds frequently and 100 pounds occasionally.
- Must be detail oriented and visualize in three dimensions.

Compensation:

This is a salaried position with benefits, vacation and 401k. This is a professional position that rewards dedication, loyalty and hard work. Competitive salary based upon experience.

Reports To: Vice President of Operations

If you have experience with Artios and CAD software in the corrugated industry and consider yourself organized and detail oriented, please email your resume to: j.bucek@leamancontainer.com
