

Leaman Container, Inc., headquartered in Fort Worth is currently hiring Production Assistants to fit in with an established, tenured, successful team. We manufacture corrugated boxes, and supply packaging and shipping products to our customers. Our production floor is fast-paced and offers many opportunities to learn new skills.

First and second shift positions available. Our first shift operates Monday to Friday 6:00 am – 2:30 pm. The second shift is Monday to Thursday 2:45 pm – 1:15 am and is paid a \$0.50/hour shift differential. Overtime does occur and may be mandatory depending on backlog conditions.

Wages and Benefits:

- Beginning wage - \$14.50/hour
- Bonus after 90 days employment with satisfactory attendance - \$500.00
- Production bonus paid quarterly based on efficiency and waste
- Medical, dental and vision insurance available after 60 days
- 401K eligible enrollment at 6 months

Responsibilities:

- Position requires assisting all jobs on the plant floor
- Must adhere to all safety rules
- Maintain a clean and organized work area
- Desire to learn new tasks and advance within the company
- Work with our team to increase productivity and decrease waste and downtime
- Be punctual and present during scheduled work times
- Additional tasks may be assigned

Qualifications:

- 18+ years old with either a High School diploma or GED
- Authorized to work in the U.S.
- Must pass drug screen
- Stable work history with at least 1 year of plant manufacturing experience
- Ability to read a tape measure and utilize basic math and computer skills
- Must interpret written, verbal, or electronic instructions and respond with strong verbal or written communication skills
- Flexibility to work as needed (overtime and/or Saturdays)
- Possess a sense of urgency to reduce machine downtime
- Physical demands:
 - Required to stand, walk, talk, and hear
 - Use of hand to handle or feel and reach with hands and arms
 - Some stooping, kneeling, crouching or crawling can occur
 - Ability to perform repetitive dexterity movements
 - Occasionally lift and/or move up to 50 pounds

Work Environment:

- Non-climate-controlled work area with occasional wet and/or humid conditions
- Exposure to moving mechanical parts
- Occasionally exposed to fumes, airborne particles, and vibration
- Noise level is normally loud
