

**Position Opening – 1st and 2nd Shift
Production/Manufacturing Operator**

Leaman Container, Inc. is seeking full-time qualified machine operator to fit in with an established, tenured, successful Fort Worth team. We specialize in corrugated boxes, packaging and shipping products.

Job Duties and Responsibilities

- Operate equipment which includes: performing accurate and efficient set-ups, checking for quality of manufactured boxes and basic troubleshooting of the machines
- Follow assigned job duties and complete all work orders as required by production needs
- Maximize the utilization of equipment by operating the machinery at available capacity and speed
- Must be motivated to reach production goals
- Assist other team members/operators
- Cross train on other machines
- Perform other duties as necessary

Qualifications/Requirements

- Strong mechanical ability is a must
- Prior work experience in the corrugated industry a plus
- Ability to work as part of a team in a fast paced environment
- Must be able to perform basic math and read a tape measure
- Pre-employment drug screen is required
- Employees at times are required to work overtime and weekends
- Physical Demands
 - Must be able to lift and move more than 50 pounds.
 - Stand, walk, use hands/finger
 - Close, distance and color vision
 - Ability to work in non-climate controlled warehouse

Education and Work Experience Required

- Corrugated manufacturing experience beneficial
- Machine operator knowledge helpful
- High School Diploma or GED

Compensation

- This position is an hourly position commensurate on experience and qualifications.
- Benefits
- 401k
- 14 days PTO per year, 8 paid holidays
- Tuition reimbursement available
